## UnitedLex Vantage Intelligence Repository Wows Attendees at Legalweek

Our product development team conducted dozens of demos for our latest innovation and Legalweek Leader in Tech Law Award finalist, Vantage Intelligence Repository (VIR), during the conference last week. Attendees were quick to realize the value VIR provides - with one legal industry leader gushing: "Do you know how much this is worth? *Seriously.*" We know. And we'd love to show you.

### Survey | Technology & Human Adaptation

## A Conversation to Continue: How Does Technology Work for You?

A hot topic from our recent event, *The Transformation of Legal: Technology, Data, and Human Adaptation*, was how legal can effectively adopt digital initiatives and technology when "doing more with less" is the new mandate. Please take this quick survey to continue the conversation. We look forward to sharing the results and useful insights.

## The team that sings together stays together!

The UnitedLex team gathered with clients and industry leaders during Legalweek 2023 for an evening of karaoke and mingling over (mostly on-key) renditions of our favorite songs!

Thank you for reading this month's *Data Matters* newsletter. We hope you found it valuable! Please share it with your colleagues and professional network, and visit [our website](#) for more resources and information. We look forward to connecting with you again next month.
